## Full job description

### Who we are

At EACH, our vision is for a healthy and inclusive community. Founded on the vision that everyone is entitled to good health, we're one of the nation's leading health and community services providers, offering a broad range of services for over 40 years. Our services include Community Health, Mental Health, NDIS, Counselling, Support for Older Australians and Family Services.

### Who we're looking for

Our Clinical Psychology Solutions (CPS) team in Taree, NSW in the beautiful [Manning Valley](#), is growing!

If you're thinking of doing something different in 2022, our team has a range of

opportunities that will flex to you!

If you're a fully registered Psychologist, Clinical Psychologist, or Clinical Psychologist Registrar, with experience in providing mental health care (including the completion of mental health assessments, crisis intervention, and short-term treatment interventions to people experiencing mental health difficulties and/or substance use problems), enjoy collaborating with other professionals and want to make an impact, you might be exactly the person we're looking for!

At EACH we value your knowledge and understanding of evidence-based interventions and clinical practice. Your experience and commitment to excellence in the practical application of CBT, ACT, DBT, Schema Therapy, or IPT, will make a real difference in the lives of people living in the Mid Coast region.

We understand that health and wellbeing are determined by a combination of medical, behavioural, social, and environmental factors. EACH recognises that not everyone experiences life equally - by virtue of a range of factors including, gender, socio-economic status, cultural background and education level. No matter what someone's starting place, we offer support to achieve health, hope and opportunity.

As part of our Clinical Psychology Solutions (CPS) team at Taree, you will make a huge difference to a broad client base experiencing a range of life-challenging issues. This is a great opportunity to grow your experience in building resilience in a region that is bouncing back from drought, bushfire, floods, and the impact of Covid-19.

### **What you'll be doing**

At EACH you'll focus on creating opportunities for equitable outcomes for our clients:

- Providing short to medium term counseling for adults with a range of issues including depression, anxiety, grief, stress, parenting, family violence, autism, and behavioural/emotional issues
- Providing psychological assessment reports (e.g. diagnostic reports, treatment reports)
- Undertaking risk assessment of clients and safety planning with mindfulness to family violence, mental health issues and drug and alcohol misuse
- Building and maintaining collaborative relationships with referring doctors and specialists
- Taking part in regular clinical case review meetings and multi-disciplinary team meetings to ensure appropriate clinical service pathway and service delivery
- Using evidence to inform your clinical practice
- Maintaining up to date knowledge of effective therapeutic interventions, supported by EACH's extensive opportunities for professional development

- Opportunities to provide supervision to Provisional Psychologists if that is your interest.

### **Who you'll be working with**

Our team at CPS Taree has a shared purpose and commitment to making support available to those who need it. Our team is made up of Clinical Psychologists/Psychologists specialising in:

- adjustment-related disorders
- children & adolescents
- life-balance related stress and/or anxiety issues
- trauma-related disorders
- sex therapy
- EAP supports for industry.

### **What we offer**

EACH is committed to developing our team. At EACH you'll be supported to be your best. We provide:

- Work arrangements that flex to you (part-time, full-time, permanent, or contract with telehealth and work from home options available)
- Competitive salary based on qualifications and experience
- Opportunities for internal career progression from Melbourne to Ipswich
- Generous Not-for-Profit Salary Packaging
- Professional support and supervision
- Opportunity to purchase additional leave
- Relocation allowance to assist with your move to the Taree region
- Support through a comprehensive Employee Assistance Program
- Opportunities to continuously grow and develop.

### **Next steps**

We'd like to learn more about you and what you can bring to this role, our team, and our community. Please attach a cover letter with your resume and apply online via our Careers Centre. Applications will be reviewed as they are received with candidates contacted during the advertising window. If you'd like more information about the position, please contact Jenny Sinclair on 0457 517 290.
